NEM Surplus Energy Compensation Option (check one of the following):

_____ **PAYMENT** I elect to receive net surplus energy compensation on a seasonal time differentiated per kilowatt-hour rate for the net surplus energy I generate during my Twelve-Month Period which commences with my regularly scheduled meter read date in January and concludes as of my regularly scheduled meter read date the following December. By making this election, I hereby certify that I have sole ownership of the environmental attributes and renewable energy credits (REC) associated with energy I generate and agree that all environmental attributes and RECs associated with the kilowatt-hours in which I receive net surplus energy compensation shall be the property of RPU.

_____ **CREDIT** I elect to receive net surplus energy as a kilowatt-hour credit calculated using the net surplus energy compensation rate and applied against future billing periods for the net surplus energy I generate during my Twelve-Month Period which commences with my regularly scheduled meter read date in January and concludes as of my regularly scheduled meter read date the following December. By making this election, I hereby certify that I have sole ownership of the environmental attributes and REC associated with energy I generate.

_____ (Please initial) By making this election, I hereby certify that I have sole ownership of the environmental attributes and REC associated with energy I generate and agree that all environmental attributes and REC associated with the kilowatt-hours generated shall be the property of RPU.

If customer affirmatively elects to participate in net surplus energy compensation during the January 2011 through December 2011 Twelve-Month Period, this **NEM Surplus Energy Compensation Election Form and two original and completed Net Energy Metering Interconnection Agreements must be returned to RPU within 30 days of receipt.** The net surplus energy compensation rate is posted on the RPU website at RiversidePublicUtilities.com/ElectricRates.

By completing and returning this form to RPU, I confirm the above NEM surplus energy compensation selection. I understand that I am eligible to revise my net surplus energy compensation election annually by giving written notice to RPU at least thirty days before the beginning of my new Twelve-Month Period. I understand that additional terms pertaining to my election are included in my executed Net Energy Metering Interconnection Agreement for Solar or Wind Turbine Electric Generating Facilities (Standard Contract-NEM) and RPU Rate Schedule NEM. I understand that net surplus energy compensation may be subject to IRS Form 1099 reporting and will be reported as of the customer of record, including social security number or tax payer identification number.
